ARTICLE 12. MEDICAL CARE

The Generali Maratón de Málaga 2024 will have the necessary Medical Services to attend to the runner during the race. The Organisers recommend that all participants undergo a Medical Examination prior to the race, all participants accepting the risk derived from the sporting activity.

Likewise, the athlete declares that he/she is in optimum physical condition to carry out this test and does so at his/her own risk.

Any athlete with a health problem is obliged to notify the Organisation in writing beforehand, to mark his bib with a red cross and to state his name, address, telephone number and the health problem he suffers from. He/she will be obliged (for his/her safety) to notify in writing (indicating his/her bib number) before the race takes place.

A Physiotherapy and Podiatry service will be available for the exclusive use of runners who have suffered any type of injury. The Physiotherapy service will not be used, in any case, as a relaxing or unloading massage.

The Medical Services shall be empowered to withdraw a runner who is in poor physical condition.

ARTICLE 13. LIABILITY

The organisation has an accredited Civil Liability insurance policy for the event.

ARTICLE 14. CLOAKROOM SERVICE

The Organisation will have a cloakroom service where runners can leave their belongings, and will not be held responsible for any objects left there.

The staff of the Organisation's cloakroom service may ask runners to open their bags before dropping them off, in order to supervise the contents of the bags. If a runner refuses to open a bag, the Organisation may refuse to collect the bag.

ARTICLE 15. AUTHORISED VEHICLES

The only vehicles allowed to follow the race will be those accredited by the organisers. It is strictly forbidden to follow the runners in any type of motor vehicle or vehicle on wheels (skates, bicycles, etc...), with the express order of the Local Police of Malaga to remove them from the circuit. A broom vehicle will be available to mark the cut-off time in each section of the race, after which the runner must leave the circuit and abandon the race following the instructions of any member of the organisation. In the case of runners who are not in a fit state to continue the race and require medical attention, they will inform this vehicle or any member of the organisation, who will inform the medical services of the Marathon.
