**REGULATIONS 2024 Race for the Gifted**

## ARTICLE 1: THE EVENT

The Mensa Spain Race for High Abilities, promoted and organized by the Mensa Spain association, will take place VIRTUALLY from March 14 to March 24, 2023 (both inclusive). A virtual race is a way to share the experience of running and competing in the participant's chosen environment without prior mobilization to a specific location. Each participant can choose their own route to complete the selected distance within the timeframe given by the organization.

## ARTICLE 2: TIMEFRAME

The timeframe for completing the race in the chosen distance (10K / 5K) will be from 00:00h (Madrid UTC/GMT +1 hour) on March 14 to 23:59h (Madrid UTC/GMT +1 hour) on March 24, 2024. TIME LIMIT: There will be no time limit to complete the distance.

## ARTICLE 3: COURSE and DISTANCE

Each participant can freely choose the location for the race course according to the selected distance. The only requirement is that participants must complete the selected distance meticulously, and the race will not be valid if any meters are missing. Selectable distance options are 5km and 10km. The race can be done by running or walking in either of the selected distances. Each participant must complete the chosen distance and record it using the Rockthesport app within the corresponding event for the race, enabling tracking by the organization. Upon registration, a unique event code will be received, which can be entered into the RTS Virtual app to record the result, initiating the recording of the route at that moment. The organization is not responsible for any data loss due to app failure, the device used, or its misuse. To ensure the proper functioning of the app, it is essential that it is running in the foreground, with sufficient battery for the duration of the race, and without interference from other GPS-using applications. Using the app in the background may cause connection issues with some mobile devices, so it is recommended not to use the phone for other purposes during the race.

## ARTICLE 4: REGISTRATIONS

Registrations will be available from February 24, 2024, at 00:00h (Madrid UTC/GMT +1 hour) until March 13, 2024, at 23:55h (Madrid UTC/GMT +1 hour). Registrations will be done through the Rockthesport platform: (https://web.rockthesport.com/es/es/login) No changes or cancellations will be allowed in registrations. In case of issues, contact carreravirtual@mensa.es.

## PRICES AND DEADLINES

As it is a charity race, a donation of 5 euros will be made for registration, with a portion covering platform expenses. The resulting benefit from the collection will be entirely

allocated to the "Sin Límites" association (Zaragoza), promoting High Abilities, which will account for the activities and projects carried out with this contribution, advertised on our networks.

**ARTICLE 5: CLASSIFICATIONS**

The platform used will publish a classification that runners can check, automated from the app, and will be used to determine final positions and prize winners.
