Responsible declaration for athletes MARNATON

Name and last name ....

ID number ....

I declare responsibly:

1. That for the last 14 days and now:
   1.1. I do not present any symptoms compatible with Covid-19 (fever, cough, breathing difficulty, diarrhea ...) or any other infectious painting.
   1.2. I have not been positive of Covid-19, nor have I lived with people who are or have been positive.
   1.3. I have not been in close contact with anyone who has been Covid-19 positive or had symptomatology compatible with this disease.
2. I will make sure that I have the updated vaccine calendar.
3. That, in the event of a fever or presenting some of the symptoms compatible with Covid-19, I will refrain from accessing the event and will not participate in any sports activity that can be developed at Marnaton Cadaqués on September 18. I will also inform those responsible for the organisation of my status.
4. That I have read the prevention, hygiene and safety protocols provided by the organising body, and I accept that the guidelines set out in them be held responsibly in full. I also accept that in the event of non-compliance, any of them may be excluded from the event.
5. I know of the obligation to inform those responsible for the event of the occurrence of any Covid-19 case in my family environment and to maintain close contact with those responsible in the face of any incidence.
6. That I give my personal data and, if necessary, my close relatives data to ensure traceability to the relevant health authorities. This data will be kept by the organising body.

And, for the record, in order to be able to access the event and participate in the swim organised at Cadaqués by the Marnaton entity, I sign this statement of responsibility and I explicitly give my permission for the processing of the data contained in that statement.
